Hi Undine,

I meant to ask you about this yesterday - did you talk to Cathy about our conference call last week and does she agree with the approach ? I think it may still be worthwhile to talk to Damien and see if we can convince

Hi George,

I'm going to call in from my desk anyway since it's so close to the scheduled time. Even if we end up just talking to Damien, it would be helpful for the moment.

Thanks,

Joe and I just discussed separately, and we really would prefer that Cathy can be on the call. With the holiday this week, I don't think it will make much difference to have it early next week instead of today. Cathy will be out on Monday, but she is free on Tuesday.

Thanks,
Susy

With regards to the call, I do think [Ex. 5 Deliberative Process (DP)] Would you like to participate on the call, Susy? This way, it might be easier to relay what was discussed on the call to Cathy. Otherwise, I'll try to summarize everything we talked about in an e-mail afterwards.

Hi all-

[Ex. 6 Personal Privacy (PP)] and will not be able to participate in the CRMF call scheduled for 10 am. Cathy and I are ok with you continuing to have the call without her if you feel it's important to address the issue soon, or alternatively rescheduling for when she is back next week and can participate.

Thanks,
Susy
